

COVID 19 FACILITY UPDATE

The facility is required to update all staff, residents, and family members of cumulative, confirmed COVID-19 cases as well as clusters of three or more residents or staff with respiratory symptoms within 72 hours. The facility is not required to identify new versus total cases.

8/9/2022	RESIDENTS	STAFF
TOTAL COVID-19 DEATHS	12	0
TOTAL COVID POSITIVE (including already recovered)	100	78
INCIDENTS OF THREE OR MORE RESIDENTS OR STAFF WITH RESPIRATORY SYMPTOMS WITHIN 72 HRS.	0	0

In cooperation with local, state, and federal public health departments, Alvarado Care Center will test all residents and staff members for COVID-19 as recommended. All COVID-19 tests performed at Alvarado Care Center are through a lab approved by the California Department of Public Health (CDPH).

This list will be updated weekly and/ or when new cases occur.

For any questions or comments please direct them to Loza, Administrator.

Thank you!

Alvarado Care Center Administration
